

Campground Policies

Seasonal- Campers may use their camping units April 30th to September 26th, 2027. Sites are rented to one family unit per site. A family unit is defined as a couple or individual including children 18 and under, that are their dependents. All others are considered visitors including adult children, grandchildren, other relatives, friends, and persons not registered on the lease and who will be spending the day or overnight in your RV.

Visitors- Seasonal Camper must meet their visitors at the gate and complete registration process upon arrival. All guests are expected to pay the fee for using our facilities. Daily visitors are expected to leave by 10:00 pm. Seasonal campers are responsible for their visitors. Guests must follow the rules of the campground or will be asked to leave. Management must approve more than 6 visitors at your site. No tents or RV's of visitors are allowed on seasonal sites, without approval.

Motorized vehicles- All vehicles must be registered with management. Anyone operating cars, trucks or golf carts must be licensed and insured. Golf carts are for seasonal campers, who own the carts, use only. Guests are not allowed to drive golf carts without prior approval of management. Your name must be on the front of the cart. Insurance information must be provided to management. 5 MPH speed limit. Bikes or golf carts must have proper lighting if used after dark. No ATV's or motorized scooters. No child battery operated riding toys on roads. Golf carts must stay on roads/trails, no cutting through sites. Cars and trucks should never be on the hiking trails.

Sites & Camping Units- All sites must be kept in a neat, clean and uncluttered state. Trimming grass on your leased site is your responsibility. A boundary requirement of 10 feet must be maintained at all times, per Health Department Regulations. Do not park or place any item in that area. One air- conditioning unit operating at any given time on a site. All sewer connections must be hard piped. Bury all water hoses and electrical cords from post to your unit if area is mowable. All seasonal units, including porches, sheds, and decks, must be kept neat looking and maintained or we will ask you to remove it. One storage unit per site. No beds allowed or sleeping in porches. Management may inspect site at any time and ask tenant to repair/clean their leased site.
